(due process, freedom of religion, free speech, freedom of association and/or assembly, freedom from cruel and unusual punishment, etc. List only one violation.)

was violated by Unknown Named Government of U.S.A
(Name of the specific Defendant who violated this right)

Supporting Facts (Briefly describe facts you consider important to Claim 1. State what happened briefly and clearly, in your own words. Do not cite legal authority or argument. Describe exactly what each defendant, by name, did to violate the right alleged in Claim 1.):

In the month of June 2014 I had a house fire in Juneau Alaska, and was cleared by the Insurance investigator. All was suppose to be over but the defendant pursued a investigation on me and held a secret proceeding about me and decided to put a death order on me. Since 2014 I have been constantly harassed, assaulted, stalked, stolen from, not been able to work or have a stable place to live. There have been RFID implants put into my body w/o consent or knowledge until some time later.

I have been the constant target of being drugged, poisoned and other right abuses.

My life is being taken away with out a chance to face my accusers or violating my due process. It is highly unusual to give someone a very long drawn out death sentence. That has been painful.
